*Our 4K class uses components of the Before Five in a Row guide. We recommend purchasing this guide if you are interested in following a FIAR plan at home

Additional Recommendations:

We align our phonics instruction with the All About Reading curriculum in 4k- 2nd grades. We provide long range plans showing what will be covered in class and recommend purchasing the pre- reading basic package which includes the student packet to use at home. We suggest that families jump into this curriculum at this level as these students will continue using it through kindergarten, first, and second grade. Available at: allaboutlearningpress.com

New this year: Look for your class supply lists when report cards are released at the end of May (i.e. – crayons, scissors, protractors, etc).
